

To the Applicant:

Thank you for expressing interest in participating in the New Zealand Defence Force (NZDF) Invictus Games (IG) team for 2025. **This form is to be returned to adaptivesport@nzdf.mil.nz NLT 19 Jan 24.**

For you to be eligible to apply, you need to be either a current serving or ex-serving member of the NZ Defence Force that has been Injured, Wounded or Ill during, or as a consequence of your service.

Eligibility Criteria: This event is for NZDF current uniformed and former Service personnel who have suffered a life changing injury or illness during their service.

Eligibility criteria include:

- Occurred during active NZDF service
- Was caused by NZDF service
- Was aggravated by NZDF service

Exclusion criteria include:

- A pre-existing injury or illness from another Defence Force
- A pre-existing injury or illness prior to NZDF employment
- An injury or illness that occurs post NZDF service

Ultimately the decision of eligibility to be considered for the IG lies with Command and any appeals are to be addressed to Invictus Governance Board.

All selection camp nominations will be taken into consideration. Applicants will be subsequently short-listed and participants will be selected by an IG selection panel based on their previous military service and medical condition(s)/criteria.

Once selection camp participants have been confirmed by the panel, they will be required to complete a detailed medical summary form in conjunction with their Medical Officer/General Practitioner, as well as providing additional administrative details prior to attending the selection camp. In exceptional cases, this may be sent out earlier. This selection camp is currently being planned for 1-4 March 24 in Burnham Military Camp. The successful IG25 team members will then be selected at a final IG Governance Board, after evaluations from the selection camp have concluded. Non-travelling reserves will also be named. If you miss selection every applicant has the right of redress. (Travel to/from Christchurch for the selection camp only is the responsibility of the Individual competitor or parent unit, all other costs if selected for IG25, will be met by IG25).

If you are currently serving please ensure your Unit Commander has completed their recommendation in section five before returning your form.

To the Unit Commander (if currently serving):

Your staff member is being considered to participate as a competitor in the Invictus Games 2025. This competition will be held in Vancouver and Whistler, Canada from 8-16 February 2025. The Invictus Games (IG) use the power of adaptive sport to inspire recovery, support rehabilitation and generate a wider understanding and respect for wounded, injured and sick service personnel.

If your staff member is successful in being selected for the Invictus Games 2025 team, there will be significant time commitments required over the approximate 10 months lead up to the competition (in addition to their personal time out of hours).

- Selection Camp: 4 days total, 2 days training/competition, a travel day either side
- Training Camps (x3): 4 days each, 2 days training/competition, a travel day either side
- Pre-departure concentration and transit, IG competition and RTNZ, approximately 2 weeks
- Decompression Camp, a weekend in Apr 25

Note that being successful for participation in the selection camp does not automatically result in selection for the IG Team competing in Canada. A selection panel will confirm the IG team members after selection camp evaluations have been completed.

Any questions regarding your staff member's participation for IG25 can be directed to the NZDF Invictus Games Management Team via email at: adaptivesport@nzdf.mil.nz.

Please ensure you complete the Unit Commander recommendation at Section 5, thank you.

Please write in **BLOCK LETTERS** with a **blue** or **black** pen only.
